Raw Power's large assortment of accessories & fitness gear includes a variety of training and conditioning items used in today's independent & franchise gyms and fitness centers, as well as many personal home gyms. Constructed using only quality and durable materials, these include hanging ab straps, leg cuffs, dipping belts, head gear, and a number of weight stack cable attachment items designed to benefit any exercise program. Two very unique Raw Power designs and inventions include Power Grabs, the very popular, # 1 rated non slip lifting grip, and our Boa Grip weight collars, the world's 1st soft collar to secure plates on all standard and Olympic size bars.
